Consigne : écris les mots demandés dans les cases

The crossword puzzle grid is composed of the following paths of empty boxes:

- A vertical path of 3 boxes at the top center.
- A horizontal path of 6 boxes in the middle left.
- A vertical path of 3 boxes in the middle left, intersecting the horizontal path.
- A horizontal path of 6 boxes in the middle right.
- A vertical path of 6 boxes on the far right, intersecting the horizontal path.
- A horizontal path of 10 boxes at the bottom, intersecting the vertical path in the middle left.
- A vertical path of 2 boxes at the bottom center, intersecting the horizontal path.

Illustrations and arrows:

- A penguin at the top center with an arrow pointing down to the top-most cell of the 3-box vertical path.
- A fox on the left with an arrow pointing right to the first cell of the 6-box horizontal path.
- A snail on the top right with an arrow pointing down to the top-most cell of the 6-box vertical path.
- A bear in the middle with an arrow pointing right to the first cell of the 6-box horizontal path.
- A wolf in the middle with an arrow pointing down to the top-most cell of the 2-box vertical path.
- A ladybug on the bottom left with an arrow pointing right to the first cell of the 10-box horizontal path.
